Subject: Free the Hawaiian Kingdom to the Hawaiian People

I have read the book "History Erred" and understand that the United States:

- (1) In 1893: January 17, overthrew the Hawaiian Kingdom;
- (2) In 1898: President McKinley annexed Hawaiian Kingdom;
- (3) In 1900: made the Hawaiian Kingdom Territory of USA;
- (4) In 1959: made the Hawaiian Kingdom a State of USA.

I further understand from the references of the book proves that the annexation, territorializing and statehood were illegal because the overthrow was without Congressional approval.

The indigenous Hawaiian people never relinquished their claims to their inherent sovereignty as a people or over their national lands to the United States, either through their monarchy or through a plebiscite or referendum.

Considering that the Hawaiian Kingdom:

- a) was never at war with the United States;
- b) is a constitutional government in continuity; and
- c) has conducted its affairs in compliance with international law, removes any justification for USA to not comply with said law and restore the Hawaiian Kingdom to its *Moi*, Head of State.

Now is the best time for the Hawaiians to peacefully assert its independent stature and to rebuild into a thriving, lawful, neutral prosperous Kingdom.

Please add my vote in support of the Hawaiian Kingdom.
